

# FAST FACTS

Epic Waters is a resort-quality indoor-outdoor waterpark that is located in Grand Prairie, TX along the southern corridor of Highway 161 near the southwest Dallas/southeast Tarrant County border. The park boasts wet and dry attractions for every member of the family as well as thrills from mild to wild, in a weatherproof setting that is open year-round. It's the largest waterpark under a single retractable roof in North America and the largest indoor waterpark in North Texas. No hotel stay is required. Epic Waters is owned by the City of Grand Prairie and operated by American Resort Management.

## TIPS FOR AN EPIC VISIT:

- Before your arrival, review our website FAQs (<https://epicwatersgp.com/about/faq-2/>) to know what to bring and what to leave at home.
- Save time and guarantee entry by pre-purchasing your tickets online.
- Waterpark surfaces can be slippery. Avoid running and bring sturdy shoes to wear when you're out of the water.
- For safety, our slides have height and weight restrictions—be sure and let your tiny daredevils know this in advance (and then tell them about Rascal's Round-Up!)
